Robert A. Falconer, Esq. L.L.D.
President of
Toronto University,

Dear Sir

I received your letter
of the 27th June.
Thanks for your
kind sympathy in my
sorrow.

I wish to express to you, my appreciation for your kindness in placing before "The Board of Governors of Toronto University" my request to erect a Memorial Tablet in one of the Buildings in Memory of my dear Son. In making this request, I was thinking only of the Record of his Life and of his constant faithful application to his work, in which he was so really interested in, and how worthy he is of any fitting Memorial.

It did not occur to me how many similar requests might be put before "The Board of Governors."

I quite understand why they should have been prepared to object. When we consider how many thousands of Students attend the University.

I thank you for your kindness

In Jeulting's Request before
"The Board of Governors", but of
course regret, that it cannot be
complied with
As you say, a Tablet in one of
the Students rooms would not be
a very effective Memorial,
Unless it is as just in the room
that they now occupied for two
years in "The East Hall" for which
he was President for two years.

Perhaps by the time you return to Toronto, something else may occur to you, if you will kindly suggest it to me, and if there is any other thing that I might think of as a fitting memorial I may trouble you again. Thanking you for your kindness, and with kind regards.

Believe me,

Yours sincerely,

Margaret Butterfield
